PE Coordinator

LAPTOPS COMPUTERS FOR CHILDREN IN GRADES 5 & 6

At Movelle Primary School, we embrace the use of technology (computers) to strengthen students’ ability to access learning opportunities using the internet. In order to assist our students, we are going to introduce a Student Laptop Program this term for all students in the grade 5 and 6 area. Students will be able to access the use of a dedicated new laptop to use at school. The costs will be $20 per term and will need to be paid in advance. As we hope to get the laptops into students’ hands this term, we will require payment for part of term 3 and $20 for next term, approximately $30, but the amount will be finalised as soon as the laptops have been fully setup. Attached to this newsletter is an information letter which, when signed by the parents/carer, will become an agreement contract between parent/carer and the school. When payment is made, your child will be able to use a new laptop to present work or to research topics. The use of computers, laptops and other devices is used by students to enhance the student’s ability to learn and present their work. I hope all parents support Movelle’s efforts to get the latest technology into the student’s hands by signing up for this program.

VOLUNTEERS NEEDED

Volunteers are needed to help with cooking a Bar-b-que at Movelle P.S. on the following dates

29th August from 12.00pm
7th September Election Day anytime between 8.00am—3.00pm

Bill Hunt
Principal
GREEN AID

Our Greenaid Fundraiser Drive is now near completion and the final stages of collection are underway. We are asking sellers to make sure all money and unsold products are returned to the school office as soon as possible.

We thank you for your support.
