Welcome back to all students and their families. I hope you had an enjoyable 2 weeks break and are coming back to school ready to work hard during Term 4. Term 4 usually is action packed with activities and this year is no different. Children in grades Prep – 2 will be starting their swimming program on the 16th of October and this will run on Wednesdays and Thursdays for 4 weeks. During the week 11th of November, the grade 5 and 6 students will start their week of adventure activities and the grade 3 and 4 student camp is to be held from Dec. 2 – 4th.

It will be a busy term!

I would like to congratulate the staff, students and families for their involvement in the Vietnamese Harvest Moon Festival. The planning was excellent. The food was delicious and the entertainment was outstanding. Thank you to Van Pham and her helpers. It was a great community celebration.

On the last day of Term 3, there was an incident in our school that was very stressful for some students. It involved a parent who behaved in a manner that was unacceptable. The Police were contacted and the Education Department was notified as a result of the incident. As a consequence of that event, I am respectfully requesting that ALL parents, wishing to enter the school or see their children, please enter at the Office and seek permission from the office staff before walking around the inside of our school. The safety and welfare of our students and staff is the most important reason for this request. Please do not be offended if you are asked to go to the Office before entering the school buildings. Thank you for your co-operation in this issue.

During the storm, our new main sign was completely torn from its frame and ended up a twisted wreck across the road from school. A new sign has been ordered and will be installed soon.

Teachers will start their end of year planning which includes establishing classes and rooms for Grades for 2014. As always, I would like to give parents the opportunity to have input into the classes or teacher your child has next year. Parents need to put into writing the reasons for their request. The reasons need to be of considerable importance and will be considered by the teachers. However, I cannot promise that all requests will be dealt with favourably, but we will try!
**OVAL WORKS**

During the holidays, work has begun on repairing the school oval. New turf has been laid and the sprinkler system is being repaired. Once this is completed, the students will have a very safe and relaxing oval to play on.

**LAPTOPS FOR GRADES 5 AND 6 STUDENTS.**

The 1 to 1 laptop program has been a great success. Almost every student now has access to a laptop that will be allocated to them to do their school work. The students are really excited and the teachers have made good use of the laptops as learning tools for the students.

Later in the Term, students in Grades 4 (next year’s grade 5s) will be given the opportunity to have access to the computers for next year. Grade 4 students will be offered the same deal as students were this year, $20 per Term to have complete access to the computer whilst they are in Grades 5 and 6. The $20 charge for Term 1, 2014, must be paid this year by students so they can be made ready for the students in 2014.

From October, 5 things to remember

1. Slip on covering clothing. If you can see skin, UV can reach it.
2. Slop on SPF 30+ or higher broad spectrum sunscreen. One application isn’t enough so set up strategies for reaplication during the day.
3. Slap on a hat that shades the head, face, eyes, ears and neck.
4. Seek shade.
5. Slide on sunglasses if practical. Make sure they are labelled AS 1067.

CLASS OF 1993

It has been 20 years since student of Kings Park Secondary College completed year 12. It is time again to reunite together. A reunion has been organized for all to attend. If you know of anyone in the year of 1993, please let them know to contact me for date and venue details. Rebecca 0488158684
