PRINCIPAL’S COMMENTS

REPORTS

Don’t forget our SunSmart Policy. Hats to be worn during Terms 1 and 4.

Student mid-year reports were sent home this week and I am sure parents will have positive conversations to acknowledge, praise and encourage their child or children to always put in as much effort as they can to achieve the best results possible. I am sure, as a parent, you are proud of your child’s achievement. If you have any questions about the report, please raise them with your child’s teacher.

Most grades sent home the student learning folios with the reports. Take the opportunity to look through the folio and see the type of work your child does at school. It is only a small sample of their work and I encourage you to ask your child to bring home their Maths or Writing book to see their work.

Remember, that a “C” on the report indicates that your child is working and achieving at an appropriate level. Please make sure your child continues to read over the holidays, ask questions about what is read and, as I stated last week, encourage your child to learn their times tables.

STAFF ON HOLIDAYS

Mrs. Brooks and Miss Carmen have gone on extended holidays. Mrs. Brooks is going to Europe for her daughter’s wedding, and will not be back until mid-August. Whilst Miss. Carmen is cruising around the Mediterranean Sea and will return end of July.

I am sure everyone wishes them a safe and enjoyable holiday.

ENJOY THE HOLIDAYS

The end of the term has come very quickly. I would like to thank all my staff for their continued effort to produce a school environment that encourages your child to want to learn. Enjoy the break with your family and friends. I look forward to seeing you all in Term 3 (the 1st day is Monday July 13.)

Nationally Consistent Collection of Data on School Students with Disability
‘Collection Notice’

All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability this year. The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability. All education agencies are now required under the Australian Education Regulation 2013 to provide information on a student’s level of education, disability and level of adjustment to the Australian Government Department of Education and Training.* Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student’s identity will be provided to the Australian Government Department of Education and Training. The collection of this information from states and territories will inform future policy and program planning in relation to students with disability. If you have any questions, please do not hesitate to contact the Principal, Mr. Bill Hunt on 9366 8892 or the Victorian Department of Education and Training Data Collection Hotline on (03) 9651 3621. For questions after 7 August 2015, please call the Australian Government Department of Education and Training on 1300 566 046. * For more information on Schedule 3—Amendments for the collection of data on students who are persons with a disability Australian Education Regulation 2013 see: http://www.comlaw.gov.au/Details/F2014L01723/Htm/Text#_Toc404934419

We lost against Derrimut P.S. 2-0., however our girls played very well against Resurrection P.S. and St. Lawrence. In the end, we had just missed out in progressing to playing in the final, but we would like to congratulate the girls who displayed respect, team work and good sportsmanship.

On Wednesday the 17th of June in Balmoral Park, Derrimut 14 grade 5/6 boys took part in a Deer Park district soccer tournament. There were 11 schools represented from across the Deer Park area.

In our group, we had games against Kororoit Creek P.S., Deer Park West P.S. and St. Lawrence P.S. Our school was represented well by the players. The boys performed excellently, but unfortunately we lost in very tightly contested and entertaining games. The players showed respect, teamwork and leadership. The boys were unlucky not to win two games and showed great spirit in never giving up.

We would like to thank all parents who came to show support to both teams. Especially Sandra Innella, Sandra Vergara and Renee Borg (Dean’s Mum) for providing oranges for the entire boy’s team.

We would also like to thank Deer Park District as they have organised both tournaments and the cost of the buses.

PE Co-ordinator

On Wednesday 10th June 12 grade 5/6 girls were selected to compete in Deer Park District Girls Soccer Tournament. There were schools from all over our district participating in this event.
