PRINCIPAL’S COMMENTS

Movelle Primary School has developed a “Student’s Rights and Responsibilities Agreement” that should have been sent home or discussed at the recent parent-teacher interviews. The purpose of the agreement is to allow parents and students to see clearly and discuss the “rights” and “responsibilities” expected of students at Movelle. We respectfully ask that both the student and the parent sign the agreement and return it to their class teacher.

We are committed to developing a school culture of co-operation and respect among all people at our school. If any parent would like to discuss any part of the “Agreement” please make an appointment to see me and I will happily discuss any concerns.

3 – 6 SWIMMING PROGRAM BEGINS

Yesterday the 3 – 6 swimming program started. Many students across grades 3 to 6 are attending and learning water safety strategies and how to swim. The students I have spoken to are really enjoying the experience.

Easter Raffle

The Fundraising Committee are holding an **Easter Raffle**.

To help with our raffle, we are organising an **Out of Uniform Day on**

**Friday 14th March**

Instead of a gold coin donation, we are asking families in the Movelle School Community to donate **Easter Eggs**!

The donated items will then be made into Easter Hampers, so we can then raffle.

The raffle will be drawn on: **Thursday 3rd April**

Please give your donation to the class teacher.

**Thankyou for your support**

Raffle Tickets will be sent home soon!

**Mathletics Is Back On For 2014!**

If you have Internet access at home, students can now use the Mathletics program. They also have access to use the program here at school as it is very much part of the school’s math curriculum. It is the world’s most used mathematics website. It covers all aspects of mathematics and contains more than 1000 learning activities for students aged 5 to 18 years. It responds to your child’s individual strengths and weaknesses and the step-by-step animated support is like having a teacher 24 hours a day. Encourage your child to use Mathletics 3 to 5 times a week ensuring there is a balance between the Full Curriculum Section and Live Mathletics. Take time to work together with your child and encourage them to do activities that challenge them rather than those that are too easy. The Support Centre in each activity will help show how to solve a particular problem. Celebrate your child’s successes by printing out the certificates and putting them on the fridge.

If your child needs their sign in card to log on at home, please ask their classroom teacher.
