### POLICY

Movelle Primary School is committed to providing a safe, supportive and inclusive environment for all students, staff and members of our community. Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, creating an inclusive and safe school environment for our students.

The programs and teaching at Movelle Primary School support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website, our staff induction handbook, student diary and enrolment/transition packs.

## VISION

Movelles Primary School places every student in the centre of all our work. We provide a positive, caring and engaging environment, where all students are able to maximise academic, emotional and social growth. We value respect, responsibility, resilience and relationships.

## MISSION

Our focus on academic learning is strong and our emphasis on catering for each individual is paramount. We provide a learning environment where human rights are respected, protected and promoted. We embrace inclusion in all aspects of school life and respond to the unique learning and social needs of every student.

Our school encourages a caring atmosphere, where children feel emotionally, socially and physically secure. We firmly believe that all students deserve the right to high quality education and to achieve maximum learning outcomes. Our implementation of contemporary pedagogy guides our students through each phase of learning and development.

## OBJECTIVE

With our team of dedicated and passionate staff, our teaching and learning programs at Movelles Primary are planned around collaborative practices, with professional learning teams at each level of the curriculum. Recognising the importance of fostering confidence and self-esteem for all students, we deliver timely and effective intervention programs through our commitment to differentiated learning. Using a methodical approach, we cater for all students who reach learning and developmental milestones at different rates, offering program interventions for students who need additional learning support as well as those who excel in the rigors of classroom life. Fundamentally, we endeavor to nurture and balance the intellectual, physical, cultural and social development of our students and wider school community.

Our School's vision and objective is underpinned by the 'Four R' core values of: Respect, Responsibility, Resilience and Relationships. These values are a fundamental part of who we are as a people and as a community. We live, embrace and use these values to talk to our students about their behaviour and the choices they make in a positive framework. We believe that values have a major influence on a person's behaviour and attitude; and the lifelong implications of developing pro-social behavioural habits. These core values serve as broad guidelines in all situations in guiding us in the choices we make and the actions we take.

## VALUES

Respect	Responsibility
We respect the rights of others, and acknowledge our own rights, in a respectful way.	We make good decisions, we care for others, and we are accountable for our words and actions. We recognise that our words and actions can make a positive difference.
Resilience	Relationships
We have a clear self-belief, determination and understand that making mistakes is a key part of our learning. We know that the more effort we put in the better we will become.	We nurture our connections with others and believe that education is best delivered within the context of a positive relationship.

To assist our students in understanding the emotions and feelings that may arise from our values in a visual way, Movelles has integrated a school character mascot 'Ramsey'. Our mascot, Ramsey, creates consistency throughout communication and is used through a wide range of materials to support learning and teaching.

The OECD review of the SEL evidence-base found that social and emotional skills are generally more important than the corresponding impact of cognitive skills in terms of improving physical health, mental health, behavioural issues, bullying and feelings of victimisation. They are key skills for future employability.

## BEHAVIOURAL EXPECTATIONS

Movelles Primary School acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.
