1. School profile

Movelles Primary School was established in 1970 and is located approximately 30 kilometres west of Melbourne's CBD. We have 120 students enrolled from Prep to Year Six and 20 school staff members.

Our school grounds are set back in a quiet street in the suburb of Kings Park, and we are surrounded by a supportive community. Most students that attend Movelles live locally and many students walk or ride their bike to school.

Our school is culturally diverse with 35% of families having a language background other than English (LOTE). We are proud of our diversity and inclusive school community. We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Movelles Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, responsibility, resilience and relationships at every opportunity.

Our school's vision is place every student in the centre of all our work. We provide a positive, caring and engaging environment, where all students are able to maximise academic, emotional and social growth. We value respect, responsibility, resilience and relationships.
