Welcome back to the 2019 school year. We hope you had a fabulous break over the summer holiday’s.

We have hit the ground running immersing the students in our Movelle STARTUP program. Our Start Up program is a fantastic way for children and teachers to get to know one another. Children work together with their teacher to discuss what is important at school and to create their expectations of themselves as learners. Each class and cohort has participated in a variety of ‘get to know you’ activities that have been both informative and fun!

An important part of your child’s day is ensuring that they arrive at school for the start time of 8.50am each day. Children who arrive after this time often feel unsettled before the day has even commenced. At this stage I am pleased to say that most of the students are at Movelle by 8.50 and ready to learn.

Movelle’s Sun-Smart Policy states that children must wear hats outside during Terms One & Four. During this term the children are required to wear a hat when playing outdoors and during Physical education sessions. I encourage children to bring a drink bottle containing water to hydrate during the day, especially during hot days and for Physical Education sessions.

We have welcomed new staff and teachers to the Movelle team, who have embraced the Movelle values and are working well with their new teams. If you see a new face in the yard, go ahead and introduce yourself.

It’s also been great to see many new families also join our Movelle family, in particular to the new Prep families who may be experiencing school for the first time since they were students themselves. Haven’t things changed!!

Now we have settled into the routine of our new classes, teams and environments please keep an eye out on COMPASS as items relevant to your children year level/s will be posted for your perusal. Important dates, upcoming events, general year level information, awards and celebrations will be posted on here.

If you need further information regarding COMPASS and login details please contact the lovely admin ladies at the admin office.

It’s great to be back!

Welcome Back

Principal's Comments

Welcome back to the 2019 school year. We hope you had a fabulous break over the summer holiday’s.

We have hit the ground running immersing the students in our Movelle STARTUP program. Our Start Up program is a fantastic way for children and teachers to get to know one another. Children work together with their teacher to discuss what is important at school and to create their expectations of themselves as learners. Each class and cohort has participated in a variety of ‘get to know you’ activities that have been both informative and fun!

An important part of your child’s day is ensuring that they arrive at school for the start time of 8.50am each day. Children who arrive after this time often feel unsettled before the day has even commenced. At this stage I am pleased to say that most of the students are at Movelle by 8.50 and ready to learn.

Movelle’s Sun-Smart Policy

Movelle’s Sun-Smart Policy states that children must wear hats outside during Terms One & Four. During this term the children are required to wear a hat when playing outdoors and during Physical education sessions. I encourage children to bring a drink bottle containing water to hydrate during the day, especially during hot days and for Physical Education sessions.

Movies Community

We have welcomed new staff and teachers to the Movelle team, who have embraced the Movelle values and are working well with their new teams. If you see a new face in the yard, go ahead and introduce yourself.

It’s also been great to see many new families also join our Movelle family, in particular to the new Prep families who may be experiencing school for the first time since they were students themselves. Haven’t things changed!!

COMPASS

Now we have settled into the routine of our new classes, teams and environments please keep an eye out on COMPASS as items relevant to your children year level/s will be posted for your perusal. Important dates, upcoming events, general year level information, awards and celebrations will be posted on here.

If you need further information regarding COMPASS and login details please contact the lovely admin ladies at the admin office.

It’s great to be back!

CSEF Application

If you are a new parent to Movelle PS and are the holder of a current Centrelink Pension or Health Care Card, you may be entitled to claim CSEF.

The CSEF - $125.00 is an annual payment to the school to be used towards camps, sports and/or excursion expenses for the benefit of the eligible student.

If you would like to claim CSEF, please contact the school office.
Dear Parents, Friends and School Community,

We hope that you have all had a great start to Term 1. The Specialist teachers at Movelle Primary School for 2019 are as follows:

<td>(Grade Prep)</td>
</tr>
<tr>
<td>Mr Yamabe</td>
<td>Ms Ly</td>
</tr>
</tbody>
</table>

**Visual Art**

We are looking forward to a fun and exciting year in the art room and we have many wonderful and messy activities planned. With this in mind, every student will need to have an art smock to protect their clothes. These can be purchased from Target, Best and Less, Big W or Kmart for around $8 and will generally last them a few years, so it is a good investment.

**STEM – Science, Technology, Engineering and Mathematics.**

Welcome to our new specialist program for 2019! Movelle Primary are thrilled to begin STEM this year. Our students will begin exploring these interesting areas this year. They will explore robotics, specific science lessons, engineering through building using cardboard and other craft materials and using digital technologies such as iPads and computers to design using 3D shapes.

**Physical Education**

This year in Physical Education the students will be exploring a range of fundamental motor skills, they will run, jump, skip, throw, catch and skip during a range of activities. Physical Education helps develop a personal responsibility for health along with cooperating with others. Students will participate in modified games using their skills and reflexes during fun and engaging activities. All students will gain an understanding of the benefits of regular health and physical activity.

<td>Damien Farrell Emily Nguyen Christina Ng</td>
<td>For his positive outlook and being helpful and courteous to his classmates. Keep it up! For settling in so well into our class and helping our new class mates. Great job! For always working hard and sharing her knowledge with her classmates. Well done!</td>
</tr>
</tbody>
</table>
**Parent Information Sessions**

*Why should I attend?*

- Learn about the Life Education experience in the Mobile Learning Centre
- Meet our trained health Educator
- Engage in the learning content of our programs
- Understand the importance of Life Education and our vision through education
- Understand our program outcomes and the alignment to the Australian Curriculum
- Open communication opportunities with your child in relation to their experience with Life Education
- Meet Healthy Harold

---

**Life Education—Parent Information Session**

Dear Parents and Carers,

As part of the Life Education visit there will be a complimentary Parent Information Session offered. The duration of the session is approximately 30 minutes and is held in the Mobile Learning Centre (MLC), which will be located in the parent carpark. This gives parents and carers an opportunity to gain an understanding of what the students have experienced during their Life Education session.

**THE SESSION WILL TAKE PLACE ON**

**THURSDAY 4th APRIL AT 2:30PM**

Please complete and return the Parent Information Session attendance slip to the school office, by **Friday 29th March**
Term 1 update.

School Banking. Helping kids learn the value of saving.

What pocket money can teach your child.

Pocket money can help teach kids about the value of money and how to look after it. However, there’s no ‘one size fits all’ approach and it’s important to decide what’s right for your family. Research of over 1,000 parents of primary school students revealed that 59% give regular pocket money* and here’s how they manage it:

- Over half give less than $10 per week ($5 - $10 is the most common range). There’s no right or wrong – the amount should suit your family situation.
- Around 4 in 5 parents link pocket money to the completion of a chore or task. This can help children understand that money needs to be earned.
- On average, kids save about half of their pocket money each week. Learning to put money aside for a bigger goal is a valuable life skill.

Join the Dollarmites on a Polar Savers adventure.

The majority of parents think it’s important to make learning about money engaging and to reward good saving behaviour*. So to help, our Dollarmites characters (Pru, Addy, Spen, Lucas and Pat) are taking School Bankers on a Polar Savers adventure, that’s full of exciting rewards.

Students participating in School Banking will receive a silver Dollarmite token each time they make a School Banking deposit at school (maximum one per week). Once they’ve collected 10 tokens, they can redeem them for a Polar Savers reward.

Polar Savers Rewards:
- Term 1: Scented Stackable Highlighter, Snowy Origami Set
- Term 2: Yotl Fluffy Notebook, Icicle Slapband Ruler
- Term 3: Arctic Owl Fluffy Keyring, Scratch Art Cards
- Term 4: Water Skimming Bounce Ball, Polar Pencils & Pencil Toppers
