2nd August 2019 Issue 7

PRINCIPAL'S COMMENTS

WORKFORCE PLANNING

Our current enrolments for 2020 are 180. Please note that this number is constantly changing, with families excited about the increase in academic rigor and student engagement across the school. Our structures for next year are yet to be confirmed. We will be working through the best structure via our Consultative Committee. We are hoping to have straight Prep grades. We are also still establishing our workforce for 2020. We have a couple of staff members on leave. Family Leave staff members have until October 1 before they have to submit their intentions for next year.

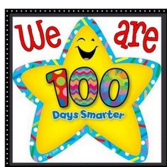

CURRICULUM DAY 15TH JULY

Our Term 3 professional learning day was held on the first Monday of Term 3. It was a great day for our staff with 3 school combining together to share teacher knowledge and guide us into the future. The Movelles staff were excellent contributors on the day and it was noted by the other schools how well we are going and the changes we have implemented have been outstanding. Thank you for your support of the professional learning of our staff in 2019. Our next curriculum day will be held on Monday November 4th (the day before Melbourne Cup)

ENROLMENTS

Our prep scholarships are now open for application. If you have a prep child or are still needing to enrol your prep, please do so as soon as possible so we can work out our class sizes. Our aim is to keep class sizes to a minimum to maximise student learning opportunities.

GUESS WHAT??

On Monday 5th August, here at Movelles Primary School, we are going to celebrate the fact that we are all '100 Days Smarter'!!!

So, we have decided that on this day we will have a whole school assembly in our wonderful Gymnasium. We will start our formal celebrations at 9:15am with a **not to be missed** Prep Performance, following this, classes will parade with their 100 days display or in their 100 days costume. We aim to conclude this event at 10:15am. All parents/guardians/ family members are encouraged to attend this celebration.

We ask that you assist your child to make something with '100' being the focus or dress up looking like they are 100 years old.

If you have any questions regarding this event, please feel

DATES TO REMEMBER

free to speak with your classroom teacher

We are looking forward to celebrating with you!

STAFF PROFILE

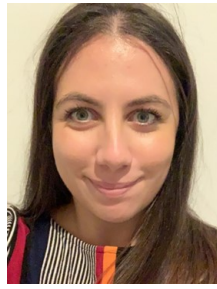

Name: Rachel Taverna
Position: Assistant Principal
Favourite Food: Lasagne & Pork
Lives at my house: Myself, my husband, our 3y/o son Mason, Basil our Maltese Terrier and 5 chooks.
Favourite Colour: Blue

Favourite Hobby: Getting creative and making things, going on holidays, reading books!

My favourite part about working at Movelle: Most of all I enjoy getting to know the students and their families. Movelle is such a special place to be every day with students always happy to smile and say hello, and the manners students show to me each day are very impressive. Our teachers here work hard each day to provide the best learning for our students, and it really does feel like a family.

Something you don't know about me: I grew up in a small country town called Nagambie and our house backed onto the river where we got to swim and waterski when we had time.

Something I am most looking forward to: Having my baby, which is due this October.

Name: Connie Messina
Position: 3/4a Teacher
Favourite Food: Peppermint Bubbly
Pets: Rambo the Golden Retriever
Favourite Colour: Pink, Green and anything with sparkles.
Favourite Hobby: Lifting really heavy weights and playing netball.

Favourite Fictional Character: Rafiki (Monkey in the Lion King) He reminds us that we can only learn from the past, sometimes it's a good lesson and sometimes it's a painful lesson and also reminds us that magic happens when we are in the present moment.

Why I like working at Movelle: I love working at Movelle because I get to work closely with each staff member and I know every student. Being a smaller community means a more connected community. I love knowing that I come to work every day, am supported and valued as a staff member. I also love the students at Movelle. They always put in 100% and are learning how to reflect on their actions to become the next generation of talented young achievers. Every day at Movelle is something new and exciting with lots of laughter and learning. Movelle doesn't just feel like a community, it feels more like a family.

Brainstorm Productions

'Being Brave'

is coming to Movelle Primary

On **4th September** Brainstorm Productions will be presenting their student wellbeing program 'Being Brave' for our **Prep-Six students**.

Being Brave is a live theatre production which will help students accept change, deal with their emotions and bounce back when things go wrong. The production is inspirational and empowering, providing kids with strategies such as good communication and positive self-talk, to help make them more resilient and able to navigate life's storms.

Being Brave is part of our student wellbeing curriculum and the program has been developed in consultation with teachers, psychologists, as well as real-life student experiences. The methodology of the program is safe, supportive and nonjudgmental and designed to provide students with positive and useful tools they can use in their everyday lives.

More than 350,000 Australian students have already benefited from Brainstorm Productions multi award-winning educational theatre programs over the past twelve months. Their programs cater to the specific wellbeing needs of students, helping to create a healthy and harmonious school environment. If you would like to know more about Brainstorm Productions, visit their website at

www.brainstormproductions.edu.au

Parent consent is required for this performance, which you will be able to approve on Compass. A small payment of \$5.00 is also required no later than 3rd September.

If you require further information regarding this highly anticipated production, please do not hesitate to contact Melissa Searle.

YEAR 3-6 FORENSIC SCIENCE WORKSHOP

MONDAY 12th AUGUST

The gold is gone! The jewels are too! An Auction House Robbery seems to have gone well for a gang of thieves who have made off with rare coins, gold and jewellery. Later that day, the security guard from the Auction House is attacked on his boat and the police need the help of the forensic scientists to track down the suspects and recover the stolen items. But when they are arrested, the gold is nowhere to be found. What on earth happened to the stolen goods!?

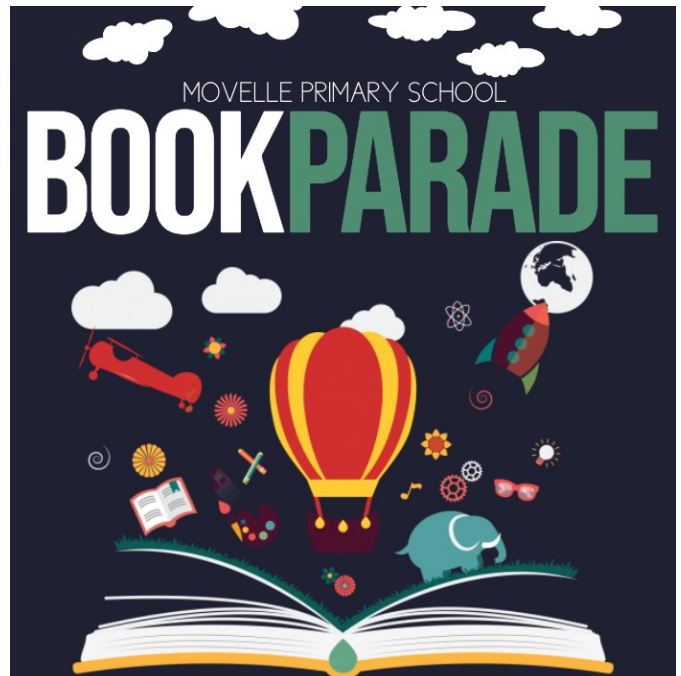

Your school's gym, will be transformed into a crime scene and evidence lab as our students are taken on an engaging, hands-on experience. Acting as both forensic scientists and as detectives, our students will use their creative and critical thinking skills to analyse the forensic evidence and piece together the story.

Evidence Stations include:

- Impression Evidence
- Toxicology Testing
- Digital Microscopy
- DNA Modelling
- Ultra-Violet Examinations
- Code Breaking
- Medical Report
- Fingerprinting

\$15 per student

Werribee Mansion

By Angela Tran

On Friday the 21th of June Grades 1 and 2's went to Werribee Mansion because we were learning about history. First we went to the laundry room and we tried washing clothes. Then we went to the farm, we saw chickens and we also saw plants. Next, we went in the Mansion we saw the bedroom, kitchen, library, dining room, art room, breakfast table and the children's room. In the children's room we saw a doll's house, baby dolls, a baby's cot and a chalkboard to learn. Lastly we went back to school. It was the best!

By Sahara Rustiawan

On Friday, the Grade ones and two's went to Werribee Mansion and it was fun! The first thing we look at was a bedroom and everyone said, 'WOW!!' Then we saw a maid and she told what the maids had to do. Then we went into the laundry room and we got to do some washing the old-fashioned way. Then we went inside the Mansion and it was AMAZING AND COOL!! Next we had ten more minutes to explore up stair. Then Grade ones and two's went back to school. I liked going to Werribee Mansion because we learnt about the past.

By Kirk Avatarovski

On Friday the 21st of June the Grade one and two's went to Werribee Mansion. First, we went on the bus and Ethan and I were playing I-spy. Next we had snack. Then we went to the washroom. When we went inside there was a laundry maid. We did activities and my favourite one was using the washing dolly. Then we went to the farm. We saw people helping at the farm. Next we saw a Men's hut. After we went to the mansion and it had 60 ROOMS! We explored the downstairs. Then we had lunch. After we went back to the mansion and then we went home. We went there because we were learning about the past.

By Ethan Le Ngo

On Friday my class went to the Werribee Mansion. First when we got there we went to the washroom. Then we went to the farm and there were plants. Then we went to take photos. Next we went in the mansion and we saw where the maid cooked. Finally we went back to school. We went to Werribee mansion to learn about the past and present and compare the differences in how we lived. It was so FUN!!!

Pizza and Paper Planes!

We value our Dads or Adult Male Role models here at Movelle Primary and would like to celebrate this with you and your child!

Who: Dad or Adult male role model

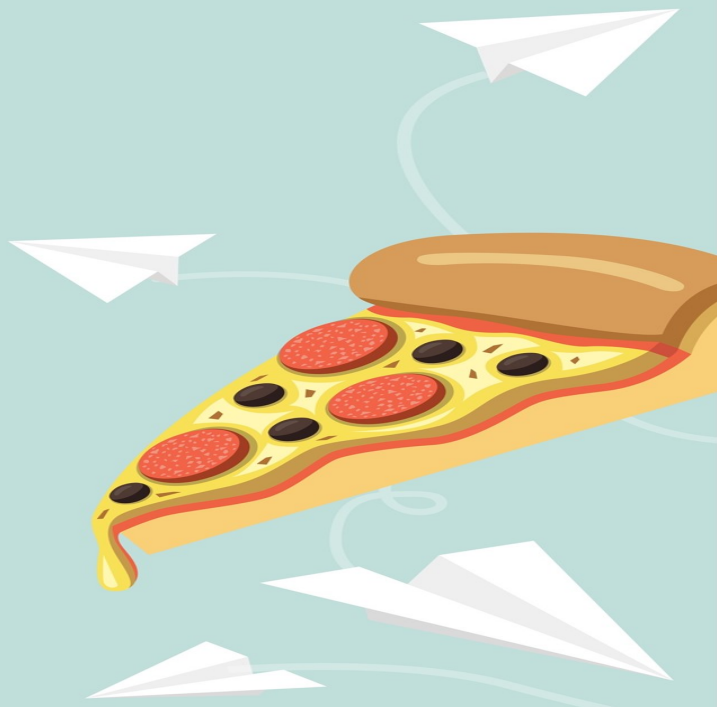

When: Tuesday 27th August

Time: 5:00pm-6:00pm

Cost: FREE (incl. Pizza, drink and 3x paper for planes)

RSVP: Friday 23rd August

Presented by The Fathering Project
in partnership with Movelle Primary
School

TeethOnWheels™
a positive dental experience

Exciting news! **Teeth on Wheels** will be returning to our school for the children's 6 monthly dental visits.

Teeth On Wheels is excited to be returning to Movelle Primary School on the 15th & 23rd of August 2019!

Please ensure if you didn't complete a form at the start of the year to have this completed ASAP!

If you have any questions regarding the consent form or your child's dental appointment please don't hesitate to contact the **Teeth on Wheels** team on (03) 9338 1191.

To make filling out the consent form easier you can now complete your Child's consent form online by following the link below.

It only takes 5 minutes to complete and by reducing the amount of paper being used, we will be helping the team out by being more environmentally friendly.

<https://teethonwheels.com.au/consent-eform>

Our school is lucky enough to have Australia's ONLY accredited mobile dentist attend every 6 months

Seeing the dentist every 6 months is so important for children. A recent Royal Children's Hospital study highlighted the following:

- **1 in 10 Children** have had at least one decayed tooth extracted before the age of 9 years
- **1 in 3 children** between the ages of 5 and 6 years have symptoms of decay in their baby teeth
- **4 in 10 children** aged 12 – 14 years have decay in their permanent teeth.

Studies have confirmed that poor dental health impacts on the growth & development of the child along with chewing, swallowing, speaking and can disrupt sleep and productivity. Over time, dental decay has been linked to heart and pulmonary disease, respiratory tract infections and chronic ongoing pain.

Great news – you maybe eligible for free dental

You may not be aware but the Government supports Oral Health via the Child Dental Benefits Schedule (CDBS) – providing 2 years of free dental up to the value of \$1,000 per child, aged between 2 and 17 years. To be eligible you must be receiving *Family Tax Benefit Part A*. Complete the Teeth on Wheels consent form and our team can advise of your eligibility or contact Medicare General Enquiries direct on 132 011.

We are making the dentist even easier!

Follow the link below to complete your child's online consent form today. By filling out your consent form online you are saving yourself time and helping the Teeth on Wheels team become more environmentally friendly.

teethonwheels.com.au/consent-eform

Remember that consent forms only need to be filled out once per calendar year unless your details have changed.

EFFECTIVE LEARNING QUALITY AWARD

ROOM	NAME	REASON
Prep A	Jordan Do	For his effort in Mathematics when learning to count by 10s. Great job Jordan!
	Khloe Nelson	For her consistently positive attitude in the classroom, Khloe always has a smile on her face!
Prep B	Sophie Mitrovski	For her attention to detail she applies to all her tasks. Sophie is working hard on increasing the amount of writing she does each week and sounding out her words. Well done Sophie!
	Brianna Nguyen	For being a beautiful student who strives to do her best at all times. Keep up the great work Brianna.
1A	Lydia Khenglawt	For using new vocabulary in a sentence.
	Jessica Ng	For being a great learner and role model to others.
1/2A	Samiya Samiya	For always following teacher instruction and trying her best!
	Jacky Pham	For being a responsible learner and completing his work.
2A	Sefo Nielsen	For working on his learning goal and moving up a reading level.
	Harmony Suamasi	For working on her learning goal and moving up a reading level.
3/4A	Aisha Boswel	For always completing her work and always ready to learn. Aisha is creative and puts 100% into everything she does.
	Phuoc Le	For always coming to class ready to learn and encourages his peers. Phuoc continues to challenge his own learning and is a great role model for 3/4A.
	Enny Nuumaalii	For having a week off school for a family holiday and came back to school where she caught up on all her work on the second day.
3/4B	Grace Farrell	For being a valued member to our classroom. Grace is always willing to put her hand up and help out.
	Kristina Stojanovska	For reflecting on herself as a learner and making some positive changes to improve her learning.
	Katlin Xuereb	For developing a confidence to participate in classroom discussion and share her valued ideas.
5A	Mahkus Fitu	For using his resources such as a graphic organiser to better organise his ideas.
	Behzad Razi	For enjoying a good start to the term and showing his adaptability.
56A	Jayden Hill	For working hard to publish his persuasive writing. Great effort!
	Jayden Phan	For his biography writing on Tom Holland, fantastic detail! Well done!
	Havana Huynh	For exploring the concept of freedom and captivity and sharing her insights with her classmates!
6A	Eleka Shih	For her effort, organisation and work in our Inquiry unit. Great effort!
	Darren Tran	For his application effort in his Writers Workshop texts. Great effort!
