PRINCIPAL'S COMMENTS

INDIVIDUAL INSURANCE FOR STUDENTS.

Each year the Education Department requires that I remind parents that students at schools do NOT have individual accident insurance. Therefore, in the case of an accident, where a child is seriously hurt; any medical, dental, physiotherapy, transportation or other associated costs will be charged to the parent, not the school or the Education Department. The Education Department advises that parents may take out private insurance from any number of insurance companies. If parents have a current Health Care card, or are on Centrelink benefits, most costs will be covered automatically.

PLEA FOR A BIKE COMPETITION. – 1 GIRLS BIKE 26"

I have a 26" girl's bike that is in good working order and I am happy to give to a deserving child. To be eligible to get the bike, I would like a member of the family to write a letter (a plea) stating why the bike should be given to them. To accept the bike, the child MUST have a bike helmet that is in very good

condition and must have the parents' permission to receive the bike. Please drop in your "PLEA FOR A BIKE" request to the office by Thursday 7th March.

IPADS

Special thanks go to Mr Tran for a day's work helping with the preparation of the Ipads. Mr. Tran put 30 of the screen protectors on to our machines. It was a very tedious job but one that Mr. Tran did very well indeed.

SCHOOL CAPTAINS

I would like to congratulate the school captains for their work around the school. They have been seen helping other students in the yard. Fantastic! I would like to introduce our newly appointed boy's vice-captain: Dennis Tran who is a grade 6 child from Mrs. Cutri's class. Dennis is a fine student who is friendly and respectful of himself and others. He certainly displays our school values of respect, responsibility, teamwork, resilience and learning.

**WORKING-BEE
Friday 22March
2:30 – 5:30pm**

Movelle Primary School has always taken pride in how our gardens appear. However, after the holidays they generally need tidying up and we need your help to get the gardens looking good again. On Friday the 22nd March we will hold a working-bee where parents and other family adults are invited to come along and do some gardening. Some of the chores include weeding, pruning, preparing garden beds for vegies and helping to repair our sprinkler system.

Working-bees are usually a time to get together with other parents all working for the good of your school. So come along and bring a garden fork, rake or pruning shears to help us.

I hope to see as many parents as possible here on the day. We will provide a light snack of finger foods and a drink for those who attend..... next page

Please fill in the form below and return it to the school office by Friday the 15th

Principal
